Coaches Report

- a) The team will have an 11:00 PM curfew on Thursday October 1st. With no school on Friday he would like them to be at home. Calls will be made by Coach Lou and several of the other coaching staff.
- b) The team needs to beat West Allegheny to obtain the ranking for home field advantage in the playoffs. We will have at least one home playoff game.

IV. Open issues

- a) The October 21st, Spaghetti Dinner tickets will be distributed next week through Coach Lou and the 7, 8, and 9th grade liaisons. We anticipate profiting over \$5,000.00 from the dinner with additional profits coming from the Chinese auction, bake sale and 50/50 sales.
- b) Senior night is being handled by Sherry Fleiner in conjunction with the cheerleaders.
- c) George Klemmer is working on having Heartland Homes sponsor the senior night fireworks.
- d) George Klemmer noted that according to his calculations, we still have around \$33,000.00 in expenses coming up.
- e) Discussion was started to determine an amount from the LIFT-A-THON to donate to Magee Women's Research Institute. A motion was made by Dave Headrick to donate \$1,000.00. The vote was in favor of donating \$1,000.00 to

Magee Women's Research Institute. A call will be made to the connection at Magee to come and accept the check at a future pep assembly.

V. New business

- a) Jeff Jablonski suggested that the Montour Football boosters should think about supplying Protein Powder to the weight room. He stated that Coach Juan is doing a tremendous job with the players, but they need to refuel quickly. Would the Boosters consider paying for the Protein Powder to be used by the players after their workout? The MFB board members had some discussion about this prior to the meeting and due to costs and logistics regarding a refrigerator and storage; they would table this decision until the next MFB board takes over in January. Several members stated that they would like to see education regarding, protein powder use, take place before any decision is made.
- b) George Klemmer discussed the Senior framed jersey's that are given at the banquet. It was suggested that we use the white Jersey, due to needing to replenish from wear and tear. George will contact the Senior captains of the team and have them decide whether or not to use their black or white jersey.
- c) We are also seeking anyone who may have a contact to a framing business, who would want to bid the job.
- d) The current Board members are all at the end of their term and a new board will be elected in January. Please put out feelers for anyone who may be interested in taking a board position. Nominations will begin at the November meeting.

VI. Adjournment

George Klemmer adjourned the meeting at **8:05 PM**.
